## President

### **BROTHER F. PATRICK ELLIS, F.S.C., Ph.D.**

Brother F. Patrick Ellis, F.S.C., Ph.D., became La Salle College's 26th president on January 1, 1977 after having served as a director of development and vice president of the corporation of the college since June, 1969. Born in Baltimore in 1928, he succeeded Brother Daniel Burke, F.S.C. Ph.D., who served as the president of the college for the previous seven and one-half years.

Brother Ellis, a member of the Brothers of the Christian Schools since 1946, joined the La Salle staff in 1960 as an assistant professor of English. He has been at the college since then except for a term as principal of La Salle High School, in Miami, Fla., from 1962 to 1964.

Brother Ellis returned to La Salle in 1964 and served as director of the college's Honors Program until 1969 when he was named director of development and vice president of the Corporation. Brother Ellis was awarded a Lindback Foundation Award for distinguished teaching in 1965 and currently holds the academic rank of professor of English. He served as director of the Christian Brothers Community at La Salle, from 1973 until February, 1977.

Brother Ellis served at Philadelphia's West Catholic High School for Boys from 1951 to 1958 and again from 1959 to 1960 in various capacities including chairman of the English Department and guidance director.

The author of numerous articles in educational publication, Brother Ellis is a former chairman of the Eastern Region, College and University Department of the National Catholic Educational Association. He also conducted a "How to Read Great Books" series for the "University of the Air" on Philadelphia's WFILTV in 1961 and 1965. He is a member of Phi Beta Kappa and was president of the Phi Beta Kappa Association of Philadelphia for two terms.

Brother Ellis, a 1946 graduate of Baltimore's Calvert Hall College High School, received an A.B. degree in English from the Catholic University of America, Washington, D.C., in 1951. He earned a master's degree and doctorate in English from the University of Pennsylvania. He has also studied at Barry College and the Institut Catholique, in Paris.

A member of the Board of Trustees of Calvert Hall High, Brother Ellis is also on the Boards of the Greater Philadelphia Partnership, of the World Affairs Council, and on the Better Business Bureau of Southeast Pennsylvania. In addition, he serves on the Region I Task Force on Continuing Education.

## **Athletic Director**

**WILLIAM D. BRADSHAW**

William D. Bradshaw was named Director of Intercollegiate Athletics and Recreation in December of 1977.

Under Bradshaw's direction, the La Salle athletic program has expanded to 22 intercollegiate sports and experienced renewed comprehensive success. His efforts have generated one of the most attractive and demanding basketball schedules in the East.

A 1969 La Salle graduate, he was one of the greatest baseball players in the school's history. A second baseman who captained the 1969 squad, Bradshaw batted .415, finished second in the country in RBI productivity with 35 in 23 games, and ninth in the nation with a school record 22 stolen bases that year. He went on to play two seasons in the Washington Senators/Texas Rangers organization before a broken ankle ended his playing career.

Bradshaw continued his education at Niagara University earning a master's degree in guidance and counseling in 1972. While at Niagara, he coached the baseball team for three seasons and served as Alumni Director for two years. His last Purple Eagle team won a school record 29 games in 1974.

Bradshaw, who serves as the chairman of the East Coast Conference cross country events, is a native of Niagara Falls, New York. He and his wife, Elaine, live in Wynmoor, Pennsylvania.

## **Associate Athletic Director**

**JOSEPH F. O'DONNELL**

Joseph F. O'Donnell was named associate athletic director in 1978. Originally appointed assistant athletic director in 1972, he continues to serve as coordinator of Hayman Hall, the college's \$4.0 million physical recreation center.

A 1965 graduate of La Salle with a B.A. in economics, O'Donnell taught social studies at Father Judge, his high school alma mater, from 1965 to 1970. At Father Judge, O'Donnell coached the school's soccer squad and was credited with developing 28 All-Catholic players, four of whom received All-Scholastic honors, and one All-American status.

In 1970, O'Donnell served as a recreation leader for the city of Philadelphia at the Jardel Center. He was a member of the Department of Recreation Soccer Committee, and also assisted Bill Wilkinson with the 1970 Explorer soccer team which posted the first winning season in the college's history.

O'Donnell, 33, and his wife, Marie, reside in Jenkintown, Pennsylvania.

# Head Basketball Coach

DAVID A. (LEFTY) ERVIN

Dave "Lefty" Ervin was appointed on August 30 as La Salle's new head basketball coach. He succeeded Paul Westhead, the school's second winningest coach (142-105), who was appointed to an assistant coaching position with the Los Angeles Lakers of the NBA.

A 1968 graduate of La Salle, Ervin served as an assistant basketball coach at his alma mater under Tom Gola (1969 & 1970) and Paul Westhead (1971-1977). During his tenure as an assistant, the Explorers posted a 146-93 record. The Explorers reached the 20 win plateau three times including the 1969 team which finished with a 23-1 record.

After the 1977 season, Ervin became the head coach of Philadelphia's La Salle High School. In the highly competitive Philadelphia Catholic League, Ervin directed his 1979 squad, one of the youngest teams in the city with three starting sophomores, to a league playoff appearance — the school's first since 1975.

A two-sport standout during his collegiate days, Ervin was a co-captain of the Explorer baseball and basketball teams in his senior year. In 1968, he was honored with the Joseph Schmitz Jr. Award as the senior who best exemplified the high traditions of La Salle College in loyalty, sportsmanship, and courage.

Ervin, 34, was a starting forward as a sophomore averaging 14.6 points and 6.5 rebounds per game. In his junior and senior years, he established himself as one of the best "sixth men" in the country. He finished his career scoring 756 points including a career high of 31 against Syracuse as a sophomore.

As a starting pitcher on the La Salle baseball team, he played three seasons and tied a school record by making 12 pitching appearances in his sophomore year.

While Ervin was serving as an assistant basketball coach, he also acted as an assistant baseball coach under veteran La Salle coach Gene McDonnell for nine seasons.

Ervin, who graduated from Abington High School in suburban Philadelphia in 1963 and attended Salem College (W. Va.) as a freshman, lives with his wife, Dee, and son, Matthew, in King of Prussia, PA.

## **Assistant Coach**

**LAWRENCE T. CANNON**

Larry Cannon, one of the greatest players in La Salle College basketball history, has joined the Explorer staff as an assistant coach.

Cannon, a member of the Philadelphia Big Five and La Salle College Hall of Fame, was a 1969 All-American as a senior and a three time All-Big Five selection (1967-69). Seventh on the Explorer's all-time scoring list with 1430 points, Cannon led La Salle teams to a 57-21 record including a 23-1 mark in 1969.

A first round draft choice of the Chicago Bulls of the NBA and Miami Floridians of the ABA, he signed with Miami and played four seasons in the ABA. In 1971 as a member of the Denver Rockets, he was an All-Pro selection. Cannon concluded his playing career at the end of the 1974 season with the Philadelphia 76ers of the NBA.

His coaching career has included head coaching stints with the Lancaster Red Roses of the Eastern League, where he was named "Coach of the Year" in 1976; the Georgia Titans of the All-American Basketball Alliance; the Baltimore Metros of the Continental League; and the Canobnas team in the Puerto Rican Superior League.

Cannon lives with his wife, Jane, and two children in Malvern, PA.

## **Assistant Coach**

**ARTHUR W. BARTHOLOMEW III**

Art Bartholomew, 27, begins his first year on the Explorer basketball staff as an assistant coach.

Prior to his appointment at La Salle, Bartholomew served as assistant coach at Villanova University the last two seasons. Bartholomew began his coaching career as an assistant at Fairleigh Dickinson University in 1976.

A hustling, scrappy guard, Bartholomew played three seasons at Cornell University. A 1975 graduate with a bachelor's degree in history, he missed his senior year due to an injury.

Bartholomew is single and a resident of Media, Pennsylvania.

## **Assistant Coach**

**FRANCIS J. (FRAN) DUNPHY**

After a successful tenure of Malvern Prep High School in suburban Philadelphia, Fran Dunphy joins the La Salle College staff as a part-time assistant coach.

In his four seasons at the scholastic level, Dunphy's teams compiled a 58-42 record including successive Inter-Academic League titles in 1976 and 1977.

A part-time assistant at Army in 1971, Dunphy played three seasons (1968-70) at La Salle. He was a starter and co-captain of the 1970 Explorer team which finished with a 14-12 record.

Dunphy, who has a bachelor's degree in marketing, is single and lives in Drexel Hill, PA.

## **Trainer**

**JOHN WORGAN**

John Worgan a licensed physical therapist, was hired in September 1976 as La Salle's athletic trainer. Worgan had formerly served in a similar capacity at Villanova University, Northeastern University, and Lock Haven State College. A 1965 graduate of Northeastern, he earned his M.S. in Rehabilitation Administration from Northeastern in 1968 and received his Physical Therapy certificate from the University of Pennsylvania in 1974.

## **Equipment Manager**

**JAMES "MICKEY" McLAUGHLIN**

Mickey McLaughlin begins his fourth year as La Salle's equipment manager. McLaughlin, a 1943 graduate of St. Joseph's Prep, was an All Catholic League and All City quarterback on the Prep's 1942 Catholic League championship team. He served in the Marine Corps for three years and then served as a Philadelphia Mounted Policeman for 27 years before retiring from the force in 1974.

## 1979-80 SEASON OUTLOOK

An experienced La Salle College basketball team returns for the 1979-80 season hoping to quickly erase the nightmare of a 15-13 season filled with key injuries and elimination in the quarterfinal round of the East Coast Conference playoffs.

First year coach Dave Ervin has eleven veterans available including nine members of the 1977-78 Explorer NCAA tournament team.

"Realizing that we have our complete starting lineup returning and with the addition of some fine new players, the potential is there for a successful season," said Ervin.

Among the missing in action were 6'7" two-time All-American Michael Brooks, La Salle's second all-time leading scorer (1881 points) and rebounder (1016 rebounds), and Kurt Kanaskie, a 6'1" guard with a deadly outside shooting touch.

Brooks, a senior who was the second leading scorer (17.4 ppg.) and top rebounder for the gold medal winning United States team in the Pan American Games last summer, glides from baseline-to-baseline as well as any forward in the country. Despite missing two early season games with a severe thigh injury and playing the entire season at less than maximum efficiency, he led the Explorers for the third consecutive season in scoring (23.3 ppg.) and rebounding (13.3 rpg.), seventh best in the NCAA.

Kanaskie (12.5 ppg.), who can spread a defense with his sizzling perimeter shooting, missed seven games with a broken bone in his right foot. The senior guard, who finished second in the NCAA in free throw shooting (91.7%), never regained the consistency upon his return that he displayed as a sophomore.

Joining Kanaskie in the backcourt to form potentially one of the top guard combinations in the East is Darryl Gladden. A 6'1" senior point guard who was troubled most of the season with a sore shoulder, Gladden (12.4 ppg.) is a creative playmaker (447 career assists) who can score when needed.

One of the few healthy players last season was starting forward James "Mo" Connolly. The only player to start in all 28 games last season, Connolly had his best year further developing his offensive repertoire (13.7 ppg.) and rebounding capacity (8.1 rpg.).

Filling the fifth starting berth appears to be an uncertainty for the second consecutive year. Kevin Lynam (9.4 ppg., 2.4 rpg.), a versatile 6'2" junior, started the last two-thirds of the season and played effectively. Battling Lynam will be junior college transfer Don Word, a 6'5" forward from Brevard JC (Florida) with great leaping ability; and 6'5" senior Reggie Miller (4.8 ppg., 2.2 rpg.), a rugged forward who was a spot starter last season.

Additional frontcourt help may come from 6'7" senior Mark Spain (1.8 ppg., 1.5 rpg.), an early season starter who has been hampered by injuries throughout much of his career; 6'7" junior Stan Williams (2.3 ppg., 2.1 rpg.), a rugged rebounder; 7'0" sophomore center Tom Piotrowski (0.7 ppg., 1.1 rpg.), who is still developing his game; and 6'6" freshman Dave Kerins.

If Ervin plays Lynam exclusively in the backcourt, he can also come off the bench with Greg Webster (4.8 ppg., 1.9 rpg.) and Paul Harter (1.3 ppg., 0.1 rpg.). Webster, a 6'0" junior, saw more playing time than anticipated en route to recording 132 assists, second only to Gladden (157). Harter, a 6'3" sophomore, had limited time as a freshman, but possesses a deft shooting touch.

Freshmen guards 6'3" Ralph Gilmore and 6'4" Dave Davis, both all-state high school players, may also contribute.

"With Brooks, Kanaskie, Connolly, and Gladden who have started together much of the last two seasons, we have a group of hungry and experienced players to form a fine nucleus," continued Ervin.

"Our talent is tailored to the fast break, but we will work extremely hard on developing a defense that will shut people down. An obvious need is to provide rebounding help for Michael Brooks and "Mo" Connolly.

"That help could come from Reggie Miller, Don Word, or Stan Williams."

Ervin describes the season schedule as "very strong". There are 11 NCAA or NIT tournament teams from last year on the schedule including De Paul and Penn, two of the NCAA's final four, and NIT semifinalist Alabama.

"Plus, we'll be in two of the best and more difficult in-season tournaments in the country — the Cougar Classic (Provo, Utah) and Lobo Invitational (Albuquerque, New Mexico)."

## MICHAEL ANTHONY BROOKS

Senior 21 6'7" 221 Forward  
Philadelphia, Pa.

A two-time All-American, Michael begins his senior year as one of the most chronicled players in the history of Philadelphia college basketball. As a starting forward on the 1979 gold medal-winning United States Pan American Games team, Brooks was the second leading scorer (17.4) and top rebounder. His game highs of 27 points and 13 rebounds propelled the Americans to a 113-94 victory over Puerto Rico in the championship game.

Second on the school's all-time scoring (1881) and rebounding (1016) lists to Tom Gola (2462 points, 2201 rebounds), Michael suffered through a personally frustrating junior year. An early season thigh injury against Kentucky and a late season knee strain against Notre Dame hampered his effectiveness throughout the season, but Brooks still ranked 23rd in scoring (23.3) and 7th in rebounding (13.3) among NCAA Division I players. He scored in double figures in the 26 games he played including four 30 point-plus performances. Brooks, who tied a career high of 20 rebounds in an ECC playoff game against Hofstra, begins his senior year with an eighteen game streak of at least ten rebounds a game. His rebounding proficiency boosted him to the top among ECAC rebounders for the second consecutive year and makes him the only returning collegian beginning the 1980 season with at least 1000 rebounds.

Despite his disappointing junior year, his post-season honors included being named a Citizens Savings All-American, first team All-ECAC, ECC Player of the Year, USBWA All-District Two, and Associated Press Honorable Mention All-American for the second consecutive year, All-ECC and All-Big Five for the third time.

Named the 1978 Philadelphia Area Amateur Athlete of the Year, Big Five and ECAC Player of the Year, Michael was the highest scoring sophomore in the nation. He was the first player in more than a decade to lead the ECAC in both scoring (24.9) and rebounding (12.8). Brooks was the only player in the country to rank in the NCAA's top ten in scoring (9th) and rebounding (7th). He set new La Salle records for most field goals in a season (288) and field goal percentage (.588). His 696 points were the most ever by a Big Five sophomore and was the second greatest single season total in La Salle's history.

Michael, who hit the 30 point mark ten times that year, recorded his career scoring high of 39 points against Notre Dame and posted a 35 point, 14 rebound game against Villanova in the opening round of the NCAA Tournament. All of this came on the heels of a precocious freshman campaign during which Michael led the Big Five in rebounding (10.7), set a La Salle record for most points by a first year player (579), established a Volunteer Classic record scoring 71 points, and was named ECC Rookie of the Year, first team *Basketball Weekly* All-Freshman, and ECAC All-Freshman.

His desire to excel, recovery capabilities, and ability to run between the baselines for an entire game may be unequalled in the country. He can overpower and finesse defenders with equally devastating results. Michael is an effective passer whose outlet passes are one of the significant keys to the La Salle fast break. Brooks, who played for an ECAC All Star team touring Yugoslavia as a sophomore, was a record setting player at Philadelphia's West Catholic High School (Coach Joe McFadden), where he set a career scoring mark (1651), led the Catholic League in scoring (27.3) and rebounding (18.2) as a senior, and was named to the *Philadelphia Daily News* "High School Team of the Decade".

## 20 JAMES BERNARD "MO" CONNOLLY

Senior 21 6'7" 200 Forward  
Philadelphia, Pa.

A forward who has started every game since his sophomore season, Mo responded to La Salle's injury problems with his most effective campaign as an Explorer. The only player to start in all 28 contests last year, Mo was second on the team in scoring (13.7) and rebounding (8.1). A dependable outside shooter, Connolly displayed more authority with his moves to the basket. Six times, he scored 20 or more points including tying his career high of 24 against Stetson. The middle man in La Salle's 2-3 zone, Mo showed an increased willingness to battle bigger opponents under the boards. His career high of 24 rebounds in the regular season Hofstra game was one of eight double figure performances and one of the top single game efforts by an NCAA Division I player last season. A shrewd and precise passer in the offensive zone, Connolly led all frontcourt Explorers for the second straight year with 71 assists and posted a career high of 10 against Lafayette. Mo's emergence as a key member of the Explorers came after an obscure freshman year. As a sophomore, he developed his confidence in posting 12.8 scoring and 6.2 rebounding averages. Connolly's passing (76 assists), particularly in the Explorers' NCAA first round playoff game, drew rave notices. Still, Connolly's forte is his outside shooting talent, specifically his wide range, which enables him to be effective from within the top of the key. Mo attended Philadelphia's Father Judge High School (Coach Bill Fox) and as a junior led Judge to a 20-9 record and the Catholic League Championship. In his senior year, Mo captained Judge, averaged 22 points per game, and was named All-City and All-Catholic.

## 31 DAVID JAMES DAVIS

Freshman 18 6'4" 175 Guard  
Pickerington, Ohio

An outstanding perimeter shooter, Dave will add depth to the Explorers backcourt this season. Dave, who attended Cumberland Valley High School (Coach Jim Dooley), in Mechanicsburg, PA, the same high school where teammate Kurt Kanaskie starred, averaged 23.6 points a game as a senior. An all-state performer last season, Dave led his team to a 20-7 record and an appearance in the state district tournament. Last summer, Dave was a member of a central Pennsylvania scholastic squad which played against a Russian touring team.

14

**RALPH EDWARD GILMORE, JR.**

Freshman 18 6'3" 170 Guard  
Arlington, Tex.

A widely recruited player, Ralph will be groomed to play the point guard position. A smart player who uses both hands well and is an excellent passer according to his high school coach John Dickerson, Ralph directed the Monsignor Nolan High School team to a second place finish in the Texas Catholic League state championships as a sophomore and the state title in his junior year. Ralph averaged 20.8 points, 5.7 assists, and 2.1 steals per game as a senior and was named District MVP, All-State, and an All-Catholic All-American.

21

**DARRYL RICHARD GLADDEN**

Senior 21 6'1" 178 Guard  
Willingboro, N.J.

A marvelously gifted point guard, Darryl is a creative playmaker who moves effortlessly on the court, and can score when asked. The holder of the school's career (447) and single season (186, as a sophomore) assist records, Darryl is the catalyst to the Explorers' fast break and the floor general in the patterned attack. In a junior year where he was bothered by shoulder and foot ailments, Darryl played both the shooting and point guard positions. His 12.4 points a game was his best at La Salle and his 157 assists topped the club. Darryl, who thrives on pressure situations, registered his career highs of 27 points and 13 assists in a 102-98 victory over Delaware when three starters were sidelined by injuries. In his sophomore campaign, Darryl was at the helm operating the Explorers' fast break system that produced new single season records for most field goals, field goal percentage, and total points. Gladden, who was a 2nd team All-ECC selection that year, is essentially an indefensible ball handler who can singlehandedly destroy a full court press. During his freshman year when he handed out 104 assists primarily as a sub, he set a Volunteer Classic record of 17 assists in two games, including a season high of 9 against SMU. The former All-State and All-South Jersey guard from John F. Kennedy High School (Coach Ken Leary), led his team to two consecutive Burlington County titles and totaled more than 1,000 points in his scholastic career. As JFK's captain during his senior season, he established new school records for most points (50) and most assists (14) in a game.

**PAUL VINCENT HARTER**

Sophomore 19 6'3" 180 Guard

Wyomissing, Pa.

Paul is an excellent shooting guard who may earn more playing time than he did during his freshman year. A willing learner, Harter played both the point and shooting guard positions in a limited role last season. Harter, who set the Wyomissing Area High School (Coach Dick Sherry) single season (693) and career scoring (1295) records, was an All-Berks County pick two consecutive years. Paul is a marketing major.

22

**KURT MICHAEL KANASKIE**

Senior 21 6'1" 180 Guard

Enola, Pa.

An electrifying outside jump shooter, Kurt has the ability to mutilate zone defenses with his long range missiles. Injured early last season in the Delaware game, Kurt missed a month of action with a broken bone in his right foot. Despite fine performances in victories against Drexel (21 points), American (20 points), and Niagara, Kurt could not maintain the offensive consistency he displayed as a sophomore. A two-time winner of the Cy Caselman Award as the Big Five's best free throw shooter, he finished second among NCAA Division I players with a 91.7 free throw mark last season. His 12.5 scoring average ranked third on the team. As a sophomore, Kurt established himself as a key member of the Explorer fast break "system" averaging 17.1 points a game. Posting double figure performances in 26 of 28 contests that season, he registered a career high of 27 points against Penn. Kurt who hit .491 from the floor that year, also handed out 124 assists despite being the "shooting guard". Possessor of a quick, yet sensible, trigger finger, Kurt complements his outside shooting with an aggressive desire to drive the baseline when given the opportunity. A member of an ECAC all-star team touring Yugoslavia last summer, Kanaskie was a standout guard at Cumberland Valley High School (Coach Rob Carrolus) in Mechanicsburg, Pa., where he set new school records for most points in a single game (50) and in a career (1800). He was captain of his team, All-City, and All-State his senior year.

## DAVID JOSEPH KERINS

Freshman 18 6'6" 195 Forward  
Media, Pa.

A fundamentally sound player, Dave is a muscular individual capable of playing either as a small or power forward. A dependable shooter who passes well, Kerins should be comfortable in the fast-paced transition game La Salle plays according to his high school coach Bud Gardler. As a senior, Kerins averaged 16.4 points and 9.8 rebounds a game for Cardinal O'Hara High School, in Springfield, Pa., and was a Philadelphia All-Catholic selection.

23

## KEVIN CHRISTOPHER LYNAM

Junior 20 6'2" 175 Guard  
Havertown, Pa.

Cast into a starting role early in the season, Kevin responded with effective defensive performances and consistent offensive production. A harassing and annoying defender, he was assigned to defense the opponent's best scorer who would often have a height and weight advantage over him. Developing confidence in his outside shot, he finished among the leaders in the East Coast Conference in field goal percentage (.508). His career high of 18 points came in a 99-87 win over Canisius last year. Lynam also collected a career high of 10 rebounds in last year's regular season Hofstra game. His versatility to the team was highlighted by him being the only player to play all five positions in the Explorer attack. He finished the season with a 9.4 scoring average and was a close runner-up to Rob Valderas of St. Joseph's as the most improved player in the Big Five. Lynam comes from a long line of basketball playing Lynams and his brother Jimmy is the head coach of St. Joseph's University. Kevin averaged 15.0 ppg. as a senior at Archbishop Carroll High School (Coach Barry Kirsch) in Radnor, Pa., where he was recognized as one of the top defensive guards in the Philadelphia Catholic League.

## REGINALD AUGUSTUS MILLER

Senior 22 6'5" 200 Forward  
Pleasantville, N.J.

A potentially explosive offensive player, Reggie will be challenging for a starting berth in the Explorers' frontcourt. A starter for eight mid-season games last year, Reggie led the team in field goal percentage (.555) and showed he could score frequently when given the opportunity. A powerful rebounder, particularly on the offensive boards, Reggie relishes playing in heavy traffic. His best performances last year included a 14 point effort against Rhode Island and a 12 point outburst against Temple. After an impressive freshman campaign, during which he was La Salle's third leading scorer (8.6 ppg.) and second best percentage shooter (.514) as the team's sixth man, Reggie's progress was retarded during his sophomore season due to a severe concussion suffered during preseason practice. His career highs were a 23 point, 11 rebound performance in a regular season game against Delaware his freshman year. He was easily the most prolific scorer in South Jersey schoolboy history and set South Jersey records at Pleasantville High School (Coach Ken Leary) for most points in a season (817) and in a career (2505). As Pleasantville's captain during his senior year, Reggie earned All-South Jersey, All-State, and South Jersey Player of the Year honors.

## THOMAS TRACY PIOTROWSKI

Sophomore 19 7'0" 230 Center  
Newtown Square, Pa.

Tom, a long range prospect, will be redshirted for the 1979-80 season. The tallest player on last year's team, he saw limited action in 12 appearances. His best performance was in the Lafayette game when he scored 3 points and collected 4 rebounds. Tom, who did not play organized ball until his senior year at Great Valley High School (Coach Bob Clark), averaged 16 points, 10 rebounds, and 6 blocked shots a contest that season.

**MARK DAVID SPAIN**

Senior 21 6'7" 195 Forward  
Philadelphia, Pa.

After three seasons of minimal play, Mark may yet apply his untapped potential in a significant role this year. An early season starter last year, he was relegated to a reserve role after injuring his left foot. Mark displays constant movement in offensive patterns, tireless persistence to get open, and steady perimeter scoring abilities. His chances for playing time would definitely increase if he showed more aggressiveness under the boards. Mark was an All-State performer for Holy Ghost Prep (Coach Tom Kaczor) and as a sophomore led Holy Ghost to a state championship.

**GREGORY JOHN WEBSTER**

Junior 20 6'0" 165 Guard  
King of Prussia, Pa.

One of the real surprises on last year's team, Greg emerged as a point guard capable of directing the Explorer offense. His 132 assists was second only to Darryl Gladden's 157 last season. Three times, he recorded a career high of 10 assists. Webster, who is still improving his outside shooting touch, scored his career high of 14 points against American last season when he made all seven of his shots from the field. Originally a "walk-on" player as a freshman, Webster was the recipient of the college's first-ever golf scholarship and received the "Most Consistent Golfer" award that same year. A high school teammate of classmate Kevin Lynam at Archbishop Carroll (Coach Barry Kirsch), Greg was an All-Catholic basketball selection as a senior and a three time All-Catholic golf pick.

**STANLEY EARL WILLIAMS**

Junior 21 6'7" 210 Forward  
Clayton, N.J.

Stan, who transferred to American University last July, returned to La Salle early in September. A tenacious rebounder and a physical defender, Stan will be battling for a frontcourt starting position. Though his game was plagued with inconsistency during his sophomore year, he showed, when given the opportunity, that he could rebound effectively and neutralize the opposition. His career high of 14 points and 10 rebounds were both accomplished against West Chester in his freshman campaign. A graduate of Clayton (NJ) High School (Coach Hal Parent), he was an All South Jersey Group One basketball and All South Jersey defensive end selection in his senior year. He spent the 1977 season at Fredrick Military Academy (Coach Rufus Outland) and led Fredrick to a best ever 19-4 record averaging 17 points and 15 rebounds.

**DONALD WORD**

Junior 21 6'5" 195 Forward  
Erwin, N.C.

The first junior college transfer to play on the La Salle team since Bobby Fields and Ronny Kennedy in 1970, Don is expected to battle for a starting berth in the frontline. Don's exceptional leaping ability and his quickness under the basket make him an effective board man despite his lack of size and bulk. As the center for the Brevard Community College team (Coach Kirk Stewart), his 14.2 points and 8.8 rebounds a game helped Brevard to a 28-5 record, a JUCO Florida state title, and an NJCAA fifth place finish in 1978.

## BIG FIVE HISTORY

The formation of the Big Five began in 1953, was announced at a press conference on November 23, 1954, and inaugurated December 3, 1955 when La Salle and St. Joseph's hosted Muhlenberg and Rhode Island, respectively.

With five teams (La Salle, Penn, St. Joseph's, Villanova, and Temple) playing in one building (the University of Pennsylvania's Palestra) and sharing expenses and profits evenly, the Big Five has evolved into the most unique basketball program in the country from virtually any standpoint.

More than three million people have seen the games at the Palestra during the first 24 years and millions more are regular viewers on local television. Over 140 different opponents have been met over the years and it is a certainty that the Big Five has advanced the cause of college basketball in Philadelphia more than any single team could on its own.

## EAST COAST CONFERENCE HISTORY

The East Coast Conference, formerly the University Division of the Middle Atlantic Conference, began operation in July of 1974. There is East and West competition in all team sports with conference champions moving on to NCAA competition.

East Division members include American University, Drexel University, Hofstra University, La Salle College, St. Joseph's College and Temple University. West Division members include Bucknell, Delaware, Lafayette, Lehigh, Rider and West Chester.

All twelve schools are members of the Eastern Collegiate Athletic Conference and the National Collegiate Athletic Association, competing for the most part in Division One competition.

# THE LA SALLE STORY

La Salle College, now in its 116th year of service to higher education and the Philadelphia community, was founded March 20, 1863 by the Brothers of the Christian Schools and derives its name from the founder of the Christian Brothers, St. John Baptist de La Salle.

Today, more than 7,000 day and evening division students attend classes on La Salle's 50 acre campus located at 20th and Olney Avenue adjacent to the historic East German-town section of the city.

Olney Hall, a multi-purpose modern facility, contains 39 classrooms, 15 student seminar and study rooms, and 107 faculty offices as well as such special-purpose areas as a planetarium, an amphitheatre, language laboratories, and audio-visual rooms. It houses the liberal arts area departments of English, education, history, languages, political science, and sociology.

Hayman Hall, the college's \$4 million physical recreation center which opened in September, 1972, contains the Joseph Kirk Memorial Natatorium with separate swimming and diving facilities, an underwater observation deck, and seats for 1,700 spectators. Three regulation-size basketball courts, a one-twelfth mile indoor suspended track, and areas for fencing, wrestling, squash, handball, gymnastics, and general exercise are the other features of the complex.

Ten modern residence halls accommodate 900 out-of-town students. A \$2 million, three-story College Union Building includes a Little Theatre as well as dining halls, assembly rooms, ballroom, and other student facilities.

The \$2.5 million Holyroyd Science Center houses lecture rooms and laboratories for study and research in biology, chemistry, geology, physics, and psychology. The David Leo Lawrence Memorial Library contains 190,000 volumes, periodical files for some 700 journals, and a library annex in the former Wister gymnasium opened in January, 1974, increasing library space by 50 percent.

The Army ROTC program is available to freshmen, who may apply for ROTC scholarships for advance studies. Some 235 men and women are enrolled in the ROTC program.

La Salle's day and evening divisions offer degree programs in Arts and Sciences and Business Administration. An MBA program began in September, 1976. Graduate programs are also offered in theology and education. La Salle initiated Philadelphia's first Weekend College in September, 1975, enabling men and women to take courses exclusively on Saturdays and Sundays. La Salle also offers Evening Division courses off-campus in Northeast Philadelphia and Center City. The 350 member faculty is composed of Christian Brothers, priests, and lay professors. The college has been coeducational in the evening division since February, 1967 and in its day school since September, 1970.

Students at La Salle come from 21 states, most of them located in the northeastern part of the United States. Fourteen countries are represented in the student body. Over 75 percent of them plan graduate work and about 1,000 degrees are conferred annually on day and evening division seniors. La Salle's alumni totals 20,000 with more than 80 percent of them still living in the tri-state area of Pennsylvania, New Jersey, and Delaware.
